PRESIDENT'S REPORT

Len Cook

Wow. Its September already. I hope everyone had a safe and enjoyable summer. The Sports leagues are getting ready to begin another season and we welcome everyone back from last season. I understand that some of the leagues have signed new players for the upcoming season. Welcome to all the new players. This shows the success of our Sports Program.

On Sept. 19th we are holding a Unit Fundraiser. This Event is two-fold in that we are celebrating the 175th Anniversary of the Association and to raise funds for the Unit. This Event is a Dinner & Dance and I hope to see a lot of our Members attend. The Dinner consists of a pig roast and the dance features the music of the Twilights. They play only 50's & 60's music so it promises to be a great evening. Tickets are on sale at the bar. The cost for the Dinner & Dance is \$35.00 and the Dance only is \$10.00. it would be excellent to see 200 people at the Dance. Hope to see you there.

We had our Unit Anniversary on July 11th and I want to thank all Members who attended and congratulate all those who received various awards. It was a very nice evening. Also in July I attended the Belgian Legion's annual Parade and Laid a wreath on behalf of the Unit.

I attended the Can/Am golf tournament in Grand Forks on August 21, 22 & 23 and, with the exception of the rain on Saturday, I think everyone who attended had a great time. Thanks to our American friends for the hospitality.

Thank you to all the Members who support our Friday night BBQ's. it helps to raise some extra funds for the Unit and I enjoy doing it. Gord , Susie and I will continue in September as long as the weather co-operates.

We finally solved our problem with the waste companies and we now deal exclusively with Johnson Waste.

As usual the summer months were relatively slow so we are hoping things will pick up now. Please come in and enjoy the Unit and all of its amenities.

LADIES AUXILIARY

Elvia Furutani

The Ladies have had a sunny, restful summer and have enjoyed the various outings to other Units. The Ladies had their 69th Anniversary in July and their annual Day & Brunch at Assiniboia Downs. We had eight Ladies out and it was a lovely day. Some of us attended Selkirk Unit's Christmas in July and Unit #1 John Osborne's garage sale in August. Some of the Ladies are still working "Chase the Queen" on Tuesday nights and our Saturday Meat Draws.

Our Ladies 5th Saturday in a month will have been on Aug. 29th. we hope all Ladies were out and we thank those Members needed from the floor as our Membership needs a little help.

Once again the call for new Members is out and if you are interested in joining call President Elvia @ 204-895-2275 or pick up an application at the bar. Our kitchen is still in upheaval and in need of a good cleaning. This will happen when all maintenance is completed.

The Ladies have one of their Members in hospital, Deb Orton, and we wish her a speedy recovery.

Our next General Meeting will be Sept. 8th at 7:00 pm. This Meeting will determine the coming months of our Ladies Auxiliary. We hope to see ALL Ladies there.

It will be great to see all of our Sport's Leagues starting up again and our holiday people back in the Unit. Good luck in all the up-coming events and all the special events in progress. Get out and support your Unit.

To all our Service Men and Women, our thoughts and Prayers are with you and yours.

"If You Love Your Freedom, Thank a Veteran".

Summer is nearing the end, and we look forward to a nice Fall, filled with activities. I hope you all had a great happy, healthy summer.

The Over 55 versus the Unit, Annual Golf Tournament, took place at Blumberg Golf Course on 26-July-15, with 37 players. A steak BBQ was enjoyed by 48, and the Over 55 claimed the Trophy. Thank you to Roger Briand and helpers, for organizing a great afternoon. Thanks to the cooks, Len Cook and Gord Kent and clean-up crew-Mary Lou Talmage, Ann Korniat, Vera Muir and Christel Erhentraut.

Some of our members enjoyed a pleasant afternoon of fun, games and food, at the Charleswood Visitation held on 20-Aug-15.

The flower beds, at the Unit, are looking great and thanks goes out to those who weeded and watered.

Thank you also to the Deer Lodge Bingo volunteers, which took place on 22-July-15, and to those who worked our Meat Draw on 14-Aug.-15

Our big Craft, White Elephant and Bake Sale is coming up on 17- October, so the barrels are now out at the Unit. They are placed behind the Nevada booth. I would like to thank Don and Elsie for presenting the long service pins at our sixty-ninth anniversary. Congratulations to those who were present to receive them, and to those members who received awards. We will acknowledge the long service pins recipients in the next newsletter.

WAYS & MEANS

Our summer months have rolled by too fast. Over the summer months we continued having our meat draws, 50/50 and cake table draws. At this time I would like to thank all of you who came out and supported your club. With your support our fund raising efforts have proved to be successful.

Due to our rising meat cost, our executive made the decision to eliminate the \$25.00, bring your tickets back from the sixth draw and one of the \$20.00 liquor commission gift certificates from the sixth draw.

Over the summer, Terry Murray has been busy buying the goodies to fill two Thanksgiving Hamper baskets. Tickets go on sale September 10th. The draw will be made October 3rd. We have volunteers anxious to get their tickets for pre selling.

If you have suggestions how we can improve our draws please let me know.

If you would like to be a volunteer, please speak to Barb Sadler or Terry Murray.

The most important part of the ways and means portfolio is our volunteers. Without you we would not have the Friendly Club. I would like to give you my sincere "Thank You" and please keep up the Good Work.

It was good to see such a good turnout at Sports-a-Rama on the 19th. Everyone is all set to go for another year. If you are interested in joining us, there is always room for another team.

We get off to a good start on Thursday, September 10th with a clinic. Once again Jon Miller, Mark Swendrowski, and Len Walter will be giving us the inside scoop on how to become better players. We will be having a short meeting at 6:30, followed by the clinic at 7:00. Our league will officially get under way on Thursday, September 17th.

Our next meat draw is September 4th with Barb and Linda M., Elaine and Linda A., Emily and myself scheduled to work that evening.

Our summer certainly gave us something to talk about this year with the high temperatures, strong winds, and heavy rains. As summer comes to a close, we all look forward to keeping busy over the winter evenings. What better place than at 283 with such a wide variety of sports to take part in. We are always looking for more players and would love to have you join us.

May you all enjoy the last days of summer.

Request for History Project

2016 will mark the 25th. Anniversary of the creation of the Canadian Mention in Dispatches (MID) and the Directorate of Honours and Recognition (DH&R) has undertaken a small history project to mark the occasion. Currently the DH&R is compiling and drafting a comprehensive history of the MID. The final text will also be accompanied by a register of the nearly 400 recipients and their citations since 1991.

DH&R has a sufficient amount of photographs to include in the publication of medals groups with the MID and accompanying certificates to recipients for the First and Second World Wars but is having difficulty locating high resolution images of Korea War Veterans or Veterans of peacekeeping operations.

A request to any ANAVET member who could provide a high resolution image of either a medals group and/or certificate. Specifically, DH&R is seeking a close up image of the full size group of medals showing the MID device and possibly of a presentation ceremony.

SOCIAL SERVICES (cont)

Veterans News *re: CIB Eligibility Criteria*

(taken from a report by ANAF Dominion Command)

Regarding the new eligibility requirements of the Critical Injury Benefit (CIB), ANAVETS is seriously concerned about the extreme difference between the professed benefit and these detailed eligibility requirements. When describing the CIB the Minister (VA) has always been quite clear that the benefit is to acknowledge the pain and suffering of those Canadian Armed Forces (CAF) members who were injured, but who once stabilized, would have often been in receipt of a low disability award due to their rehabilitation and that this benefit is to compensate for that.

The requirements of timelines to equate to eligibility are also of great concern to the Association. It is disingenuous to have timed loss of function or hospitalization to recognize the pain and suffering experienced by an acute illness or injury. As the department is looking to be Veteran-centric and tout that each case is different and based on its own merit and circumstances, removing time requirements to determine recognition for pain and suffering is the only answer. Additionally, the requirement for length of stays in hospitals and inpatient care; where the trend in Canada is for early release and recovery at home and a trend towards outpatient care and rehabilitation; creates additional issues with the drafted eligibility guideline.

ANAVETS does not support these requirements and urges the Department to reconsider their regulations on the Critical Injury Benefit (CIB) as drafted. ANAVETS is willing to participate in the consultation process—to understand the considerations and ultimate goals of the

legislation and then work with the department to ensure they have reviewed and considered all of the relevant data required to create a well structured criteria for this program.
